29	30 <u>It's Earth Day!</u> Recycled Art Snack: Giselle					

Dear Families,

Welcome back from Spring Break! Ms. Lindsey and are looking forward to the fun Spring activities that we can enjoy with our class, including nature walks and exploration, learning about gardening, and enjoying a little more time outside with the nicer weather coming.

We will celebrate Eric Carle's beautiful books during some of April, learning about nature and creating colorful art from the books. We'll also be celebrating Earth Day and will be making some recycled art. As we finish up the alphabet, we will also be working more with the letters within our names.

We will have a sign-up sheet outside the classroom for 15 minute slots for a teacher/parent conference, scheduled on April 20th.

Happy Spring!

Ms. Kelly & Ms. Lindsey
