Dear Parents,

We welcome December! Our classroom will be filled with projects, music and holiday cheer! Please note the important dates for this month.

Secret Show and Tell / On Wednesday, **December 6th** we will have a Secret Item Show and Tell. Please have your child bring in a gift wrapped item. They will give their classmates clues about what is in their package. After all have guessed your child will open the package to reveal the item! The item is not given away – it will be returned.

Gingerbread Houses / On Friday, **December 8th** at 9:30 our class will be making gingerbread houses. Each child will decorate his/her own house with icing and candy. It is our tradition to invite a parent or caregiver to join in this fun activity. No siblings, please.

Nativity Scene / The children will make a nativity scene this month. Please send in a shoe box by Monday, **December 11th**.

Christmas Program / Our Christmas Program is on Tuesday, **December 19th** at 11:00 am in Fellowship Hall. You will receive a printed invitation -- made by your child! After the program we will gather in our classroom for some holiday cheer and a light lunch. Parents, grandparents and caregivers are invited. Our class parent helper for December is Francesca Cattaneo, Ettore's Mom.

Vacation / We wish you a wonderful Christmastime! The first day of vacation is Wednesday, **December 20th** – no school. We look forward to seeing you when class resumes on **Wednesday, January 3rd**.
