A note from the Director.....December

To Parents.....

This is such a magical and meaningful month. We will have a lot of fun decorating with glitter and creating our holiday artwork. Let us remember in this busy month, to keep in our hearts the reason for the season!

Please help the Weeda family gather toys for the playroom at the Ronald McDonald House in Baltimore. Please donate a new wrapped toy for a child, newborn to 12 years old. There will be a box in the preschool hallway where you may drop off the wrapped gift. Look for a flyer with more information in your child's bucket. Thank you in advance for your help to make a child smile.

Thank you to all who participated in our wreath fundraiser.

Looking ahead:

We will begin enrollment for Fall 2018 on January 10 for currently enrolled students and their siblings.

On January 17, we open to the public. Please tell your family and friends about our wonderful preschool. If someone you know is interested they can email me at rosemarielap@msn.com for more information.

Dates to remember:

Holiday break begins Dec. 20st .

School reopens Jan. 3rd.

I would like to wish all our families a wonderful holiday season!!!
