| 23 | 24 | 25 Christmas | 26 | 27 Winter Break | 28 | 29/30/31 |

Dear Parent's,

The children have been enjoying making Christmas projects and learning holiday songs! We have started working on name recognition. When the children come into the classroom they will find their name on a Christmas tree and place it in the basket.

On December 18th we will have our Holiday Program. The children will sing a few songs that they have learned and will decorate cookies. Please look for a signup sheet to help bring in the supplies needed for that day.

Please send your child in everyday now with a winter jacket, hat and gloves. We will go outside unless temperatures are below freezing.

Have a wonderful holiday and Happy New Year!!

Thank you,
Ms. Janet and Ms. Carol
