

Faith Preschool News

A note from the Director.....December

To Parents.....

This is such a magical and meaningful month. We will have a lot of fun decorating with glitter and creating our holiday artwork. Let us remember in this busy month, to keep in our hearts the reason for the season!

Just a reminder to send your children in with a jacket, hat and gloves. We go outside almost everyday unless there is snow, ice, or a wind chill below 32 degrees. Please put their name on all items.

Looking ahead:

We will begin enrollment for Fall 2019 on January 10 for currently enrolled students and their siblings. Please look for applications to go home in your child's bucket.

On January 22 we open to the public. Please tell your family and friends about our wonderful preschool. If someone you know is interested they can email me at rosemarielap@msn.com for more information.

Dates to remember:

Holiday break begins Dec. 20st .

School reopens Jan. 2th.

I would like to wish all our families a wonderful holiday season!!!!
