Dear Faith Parents,

February 1st, 2018

It's exciting to watch how much these children have grown and learned from the beginning of the school year. We will continue to go outside for recess as long as the wind-chill temperature is not too low or if its not too wet. Please make sure your child brings mittens, hat, winter coat, etc. to school.

In February, our class continues to learn to identify each student's name and now is practicing spelling his or her own names. Each child will focus more on learning the specific letters in their names. The letters we are focusing on this month are Q, R, S, and T. Each week, your child learns a letter song, plays teacher-led letter games, makes a letter craft, and practices the new letter within independent table work that are provided for them. We are making name books, adding a new page of practicing our names each month. Our class is also continuing to practice our colors each month with classifying, sorting, and making our color books. This month is colors red and purple. We'll have lots of fun this month with our themes of love with Valentine's Day and learning all about Dinosaurs.

We are having a small class Valentine's Day Party on February 14th. The children will pass out valentines to their classmates, have a valentine's snack, make some valentines craft, and play valentines games. Attached is a class list of names for Valentines cards/treats to pass out, including a new student to our classroom. If you are going to bring cards or treats, please include 16 for each friend.

School will be closed February 19th for Presidents' Day.

Warmly, Ms. Kelly & Ms. Lindsey
