25	26 Spring Break Begins	27 No School	28 No School	29 No School	30 No School	31

Dear Parents,

March is going to be a busy and fun-filled month in our classroom. We are celebrating Dr. Seuss's birthday with plenty of silly rhyming books, St. Patrick's Day, and Easter. We will also welcome Spring with a week of Spring Break.

Besides celebrating several holidays, your child will be learning the letters U, V, and W. We continue to delve deeper into understanding the sounds and formation of the letters of the alphabet, as well as identifying them within our names. We're also focusing on the colors green and orange this month, and are singing songs that practice numbers 0-10.

Some dates to remember: March 16th is our testing day. We will not have class on this day, but we will be putting out a sign up sheet to schedule your child to come in to be tested by the teachers in preparation for conferences in April. I will be using the words "learning games" with your child, since I believe in creating an open and safe space for the kids to feel comfortable. We will be sending out more information soon.

Spring Break is March 26 - April 2nd, returning to school on April 4th.

Enjoy your time off!

Ms. Kelly & Ms. Lindsey
