28	29	30	31			

Dear Parents,

It is hard to believe but our school year is almost over. We have enjoyed watching your little ones learn and grow. This month we will continue learning about spring, pets and Mother's Day.

We will celebrate our end of the year with an ice cream extravaganza in our classroom on Thursday May 25th from 10:30 to 11:00 am. It will give us a chance to say goodbye to the children and have a cute celebration!

Finally, we have enjoyed teaching your children. They all have developed in so many ways over the last year and they have been a pleasure to have in class. We look forward to seeing them next school year. We hope you have a wonderful summer and continue to work with them on shapes and colors.

Ms. Lindsey and Ms. Cathy
