Dear Families,

The 3 year-olds have grown and learned so much in our class in just two months. We've learned how to share and follow directions and listen during circle time. We have learned new songs and poems about numbers and letters and colors. The students have learned to express their own personalities within their art and crafts.

During the month of November, we'll be studying Fall, Thanksgiving, and the beginning of Christmas. We will also be moving onto letters I, J, and K.

With the colder weather finally here, please send your child to school with a sweatshirt or jacket. Also, please give your child time at home to recuperate from any sickness. If your child has a fever or has vomited, they need to stay home for at least 24 hours symptom-free before returning to school.

We wish all our families a happy Thanksgiving season and look forward to more adventures here at Faith.

Warmly,

Ms. Kelly & Ms. Lindsey
