28	29	30 Halloween Party	31			

Dear Parents,

Happy Fall! Wow, we have already been in school for a month now. The children are learning our daily routines and becoming acclimated with the classroom. They are starting to interact with one another and become very comfortable with Ms. Carol and myself.

The classroom theme for October is fall and farm animals. We will discuss animals that live on farms, the sounds they make and colors. We will create various art projects, read many books, and engage in activities that integrate our themes.

September we will go on a nature walk and find various leaves. We will do lots of fun activities with them and discuss their different colors, shapes, and textures. We will create crafts and read many books about the fall season and the changes that occur during the season.

Last but not least, Halloween! We are very excited to celebrate Halloween and everything that comes with it from spiders to witches to bats! We will make lots of fun crafts, learn many Halloween songs and read lots of Halloween books. We will be celebrating Halloween in the classroom on Tuesday, October 30th. We will have a small parade and Halloween party from 11:00-11:30. More details to follow.

Sincerely,

Ms. Janet & Ms. Carol
