Dear Parents,

Welcome to the 2's program at Faith Preschool where we will have lots of fun! Ms. Carol and I have been busy preparing the classroom and planning fun activities for the month of September. The classroom theme for September is apples and teddy bears. We will create various art projects, read many books, and engage in activities that integrate our theme.

This month we will also focus on getting the children comfortable in the classroom, our class schedule, classroom rules, and meeting all of our new class buddies.

Please do not hesitate to contact us if you have any questions or concerns. We are looking forward to our preschool adventures with you and your child and are excited to watch your children grow this month and throughout the school year!

Sincerely,

Ms. Janet & Ms. Carol
