Dear Parents,

Welcome to our 3's class! We are ready for a school year full of learning! Throughout this school year, your child will learn to play with friends, share, be kind, clean up their mess, follow directions, listen and learn during circle time, express themselves, paint, read, sing, learn their letters and numbers, and so much more. Preschool is a time to help children learn to become creative, playful, and responsible little citizens just as much as it is a time for them to learn the alphabet and days of the week.

Please hold onto this calendar as a reference for our daily activities, as well as snack provider assignments. Our two main themes of September are Bears and Apples. Within our theme, we will read lots of books, sing songs, learn poems, make crafts, and play games. The class will also learn 3 or 4 letters a month. During circle time, we will learn a routine with the calendar, practice our letter songs, play games to practice numbers 1-5, and read a book from our theme.

The 3's class will be having a Teddy Bear Picnic on September 21<sup>st</sup>. We ask that your child bring in a teddy bear/stuffed animal to join them for their picnic. We will send home more information as it gets closer.

Our classroom celebrates a student each week, who we call our "Star Student". When it is your child's week, we will send home information for your child to bring in pictures of themselves and their families. Each day that week, your child will be able to share something else from their lives, including a show and tell.

Again, we would like to extend a warm welcome to everyone! Please do not hesitate to contact either of us if you have any comments, questions or concerns throughout the year. Thank you for sharing your children with us. We look forward to a year of fun and learning!

Warmly

Ms. Kelly & Ms. Lindsey
