December 2018

Dear Parents,

We welcome December! Our classroom is filled with special projects, glittery works of art, voices singing and holiday cheer! Please note the important dates below for this month of celebrations!

“Secret Show and Tell Surprise” / On Thursday, **December 6th** we will have a Secret Show and Tell Surprise. Please have your child bring in a gift-wrapped item. At group time he/she will share clues about what is in their package. Once all the hints and guesses are considered, your child will open the package to reveal the item! The item is not given away – it will be returned.

Gingerbread Houses / On Friday, **December 7th at 9:30 a.m.** our class will be making gingerbread houses! Each child will decorate his/her own house with icing and candy. It is our tradition to invite a parent or caregiver to join in this fun (and sticky) activity. Allow about an hour. This is a special time for you to spend with your preschooler so please leave young siblings at home. See the attached memo with more details.

Christmas Program / Our Christmas Program is Wednesday, **December 19th at 11:00 a.m.** in Fellowship Hall. You will receive an invitation -- made by your child! After the program we will gather in our classroom for some holiday cheer and a light lunch. Parents, siblings, grandparents and caregivers are invited. A sign-up sheet for food will be posted by our classroom door. Thank you for contributing!

Reminders: Outside Time / Remember warm jackets, hats, footwear and gloves, please. We have outside time most days, weather permitting. **Illness:** To help prevent the spread of germs at school we require frequent hand washing with soap. Also, we ask that the children cover coughs and sneezes in their elbow and use a tissue when necessary. Please keep your child at home when not feeling well. He/she should be symptom free for at least 24-hours before returning to school.

Vacation / We wish you a wonderful Christmastime! The first day of vacation is Thursday, **December 20th** – no school. We look forward to seeing you when class resumes in the new year on Wednesday, **January 2nd, 2019.**

Dates Ahead: **Jan 10th** registration for enrolled students / **Jan 21st** MLK Day no school
(Mrs. G. and Ms. Marcia)
