A note from the Director..... February

To Parents.....

I love this month of February. I enjoy going into the classrooms and watching all the children create their artwork for Valentine's Day. There are **red hearts** everywhere!!!!

Registration for the 2018-19 school year is in full swing. I am so please to see so many families returning next fall and adding some siblings too! Please let your neighbors and friends know we have openings in our two, three and four-year-old program.

Camp registration forms have been sent home. Camp dates are June 4-8 and June 11-15. Please try to return your application as soon as possible. Camp is popular and fills up fast.

Dates to Remember:

Feb. 19 school closed for Presidents Day.

With flu season upon us, here are a few tips to try to stay health:

Make sure children was their hands frequently with soap and water.

Keep your child at home 24 hours after vomiting, diarrhea or a fever. The fever needs to be gone (without the use of a fever reducing medicine).

Teach your child to cover their mouth or nose when coughing or sneezing.

Please keep children home if they start to feel sick. This prevents the spread of any illness!
